

FOR JOB SEEKERS &amp; CAREER CHANGERS · 2026

# One day. Real jobs. Real interviews. Real training.

## Bridge to Work — Job Seeker 1-Pager

Bridge to Work is a direct-hire and direct-enroll event for Utah's energy and infrastructure sectors. Veterans, students, recent grads, and career-changers all meet employers and training providers ready to act — interview you, enroll you, and follow up within 48 hours.

### Who should come

- Veterans transitioning into civilian careers.
- Students and recent graduates from Utah universities, technical colleges, and apprenticeships.
- Working professionals exploring trades, utilities, data centers, controls, and clean energy roles.
- Anyone with transferable skills and a willingness to interview on the spot.

### What to bring

- A résumé (paper or phone — on-site support is available).
- Two or three roles or training programs you're curious about.
- Real availability for follow-up interviews and enrollment conversations.

### What's free

Attendance is free. So is the on-site résumé and interview-prep support. Employers and training providers come ready to enroll and hire — your job is to show up prepared.

### RSVP

*One short form to claim a spot and tell us which roles or training pathways you'd like to explore*
