

VOLUNTARY WORKFORCE COALITION · 2026 MATCHMAKER

Bridge to Work — Resource Folder

Start here. One page. Everything you need to plug in.

Bridge to Work is a voluntary coalition of Utah industry, education, military, and public-sector partners convening around a single direct-hire and direct-enroll matchmaker event in 2026. This folder contains the latest program documents. The page you're holding is your one-page entry: official site, intake form, contacts.

How to use this folder

Documents in this folder may include the Program Charter, Vendor Criteria, Candidate Recruitment Criteria, Outreach Plan, the Advisory Packet, and the Vendor & Employer Packet. The Advisory and Vendor packets are the most current — start there.

ONE-LINE FRAME

Bridge to Work is a matchmaker — not a career fair, not a new agency, not a fundraising vehicle. Every participant brings near-term opportunity, or doesn't participate.
