

FOR EMPLOYERS · 2026 MATCHMAKER

You have openings. We have ready candidates.

Bridge to Work — Employer 1-Pager

Bridge to Work is a one-day, direct-hire matchmaker for Utah's energy and infrastructure employers. We bring you a curated, prepared pool of veterans, students, apprentices, and career-changers — and the day is structured for real on-floor conversion: interviews, conditional offers, and post-event follow-up.

Why participate

- Booth + on-site interview space at the 2026 Matchmaker.
- Curated, screened candidates across energy, construction, data center, and grid-edge roles.
- Direct access to veterans, university partners, and apprenticeship cohorts.
- Structured 48-hour post-event conversion loop.
- No fee. Vendor criteria apply.

What we ask of you

- Real near-term openings (next 6 months).
- A representative empowered to discuss roles and accept applications.
- Basic outcome data after the event — hires, scheduled interviews, follow-ups.

APPLY

One short intake form. Four minutes. Routes you straight to the right category and the right candidates → <https://forms.gle/odSEAE2YD7DeaGPL6>
